

16th International Conference on Sustainable Energy Technologies

17th - 20th of July 2017, Bologna, Italy

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

CALL FOR PAPERS

Contributions are invited on the topics within the conference scope of sustainable energy technologies. All contributions should be of high quality, original and not published elsewhere or submitted for publication during the review period.

All accepted papers will be presented orally or by poster, and included in the conference proceedings.

Selected papers will be published in our partner journals.

Energy Technology & Renewables

Energy Storage & Conversion

Policies & Management

Sustainable Cities & Environment

SET 2017 is a multi-disciplinary, peer-reviewed international conference on sustainable energy sources and technologies that provides a forum for the exchange of latest technical information, the dissemination of high-quality research results, the presentation of new developments in the area, and the debate and shaping of future directions and priorities for sustainable development and energy security.

SET 2017 will be hosted by Alma Mater Studiorum – Università di Bologna, the oldest university in the Western world.
